Owners, managers and employees returning to a business affected by a natural disaster, such as severe weather damage, may find materials or products that are damaged and unusable.

Storm or building debris that is contaminated with hazardous materials may need to be handled and disposed of as hazardous waste.

For guidance on how to properly manage and dispose of the waste, contact the Missouri Department of Natural Resources toll free at 1-800-361-4827 or visit www.dnr.mo.gov/disaster.htm.
